- | | |
|-----------|---|
| 2016-2021 | Secondary School Certificate (SSC)
Ranigonj high school |
| 2022-2026 | Diploma in Computer Science & Technology (CST)
Centre For Technology Transfer Polytechnic Institute |

PROJECT

SkillSphere – Online Learning Platform

Built a modern E-learning platform with secure authentication, protected routes, course enrollment, wishlist management, and dynamic course details. Implemented real-time search, profile management, responsive design, animations, and persistent state management using Context API and Local Storage. Developed with Next.js, MongoDB, Tailwind CSS, Better Auth, Framer Motion, and Swiper.js.

Jazzdle E-commerce Shop

Built a modern E-commerce platform using Next.js. Implemented secure authentication with Google/GitHub login, cart management with Local Storage support, and protected UI rendering. Added interactive features including Swiper slider, dark/light theme, marquee animation, and loading spinner using MongoDB, Better Auth, Tailwind CSS, HeroUI, and React Hook Form.

Dragon News - news platforms

Built a dynamic news platform using Next.js (App Router) with secure authentication and API integration. Implemented Better Auth with Email/Password, Google, and GitHub login with protected routes. Added category-wise filtering and dynamic news detail pages using external APIs via Next.js proxy. Tech Stack: Next.js, MongoDB, Better Auth, Tailwind CSS, DaisyUI, React Toastify.
